

Fairfield Medical Centre

New Branding

It is with great excitement that we can reveal our new logo to you. Which was designed by Judy's (one of our admin staff's) son.

A fresh new look for Fairfield Medical Centre, we hope you like it!

Website - coming soon

We have been working on our website over the last few months. This should be live early April and will be a great place to get all the information you need about us to make your life a little easier.

Patient survey week

Our next patient survey week will be the 7th - 13th of May.

This is a great opportunity for you to tell us what we are doing right and where we can improve. Agree to participate and you will go into the draw to win an awesome hamper!

FLU VACCINE - EXPECTED MID-APRIL

This will be the first time a four-strain vaccine, known as quadrivalent vaccine, will be funded in New Zealand. If you are over 65, pregnant or suffer with a chronic condition like asthma, heart disease and diabetes, then the Flu Vaccine is free

Congratulations

Huge congratulations to Lindi our newest registered nurse, who has recently graduated with a Bachelor of Nursing Degree.

All the best with you nursing career, we feel very lucky to have you as part of the Fairfield Team.

Well done!

Manage My Health

Manage My Health is a secure online tool which give you the freedom to manage your health needs from anywhere at any time even when we are closed.
